- What are cookies?
- How do we use cookies?
- What types of cookies do we use?
- How to manage your cookies
- Privacy policies of other websites
- Changes to our privacy policy

What data do we collect?

Alcan Electrical and Engineering collects the following data:

- Personal identification information (Name, email address, phone number, etc.)

How do we collect your data?

You directly provide Alcan Electrical and Engineering with most of the data we collect. We collect data and process data when you:

- Register online or place an order for any of our products or services.
- Voluntarily complete a customer survey or provide feedback on any of our message boards or via email.
- Use or view our website via your browser's cookies.

Alcan Electrical and Engineering collects your data so that we can:

- Process your order, manage your account.
- Email you with special offers on other products and services we think you might like.

If you agree, Alcan Electrical and Engineering will share your data with our partner companies so that they may offer you their products and services.

When Alcan Electrical and Engineering processes your order, it may send your data to, and use the resulting information from credit reference agencies to prevent fraudulent purchases.

Marketing

Alcan Electrical and Engineering would like to send you information about products and services of ours that we think you might like, as well as those of our partner companies.

If you have agreed to receive marketing, you may always opt out later.

You have the right at any time to stop Alcan Electrical and Engineering from contacting you for marketing purposes or giving your data to other members of the Alcan Electrical and Engineering Group.

If you no longer wish to be contacted for marketing purposes, please [click here](#).

What are your data protection rights?

Alcan Electrical and Engineering would like to make sure you are fully aware of all your data protection rights. Every user is entitled to the following:

The right to access - You have the right to request Alcan Electrical and Engineering for copies of your personal data. We may charge you a small fee for this service.

The right to rectification - You have the right to request that Alcan Electrical and Engineering correct any information you believe is inaccurate. You also have the right to request Alcan Electrical and Engineering to complete information you believe is incomplete.

How will we use your data?

The right to erasure - You have the right to request that Alcan Electrical and Engineering erase your personal data, under certain conditions.

The right to restrict processing - You have the right to request that Alcan Electrical and Engineering restrict the processing of your personal data, under certain conditions.

The right to object to processing - You have the right to object to Alcan Electrical and Engineering's processing of your personal data, under certain conditions.

The right to data portability - You have the right to request that Alcan Electrical and Engineering transfer the data that we have collected to another organization, or directly to you, under certain conditions.

If you make a request, we have one month to respond to you. If you would like to exercise any of these rights, please contact us at our email: support@alcanelectric.com

What are cookies?

Cookies are text files placed on your computer to collect standard Internet log information and visitor behavior information. When you visit our websites, we may collect information from you automatically through cookies or similar technology.

For further information, visit allaboutcookies.org.

How do we use cookies?

Alcan Electrical and Engineering uses cookies in a range of ways to improve your experience on our website, including:

- Keeping you signed in
- Understanding how you use our website.

What types of cookies do we use?

There are several different types of cookies, however, our website uses:

- **Functionality** - Alcan Electrical and Engineering uses these cookies so that we recognize you on our website and remember your previously selected preferences. These could include what language you prefer and location you are in. A mix of first-party and third-party cookies are used.
- **Advertising** - Alcan Electrical and Engineering uses these cookies to collect information about your visit to our website, the content you viewed, the links you followed and information about your browser, device, and your IP address. Alcan Electrical and Engineering sometimes shares some limited aspects of this data with third parties for advertising purposes. We may also share online data collected through cookies with our advertising partners. This means that when you visit another website, you may be shown advertising based on your browsing patterns on our website.

How to manage cookies

You can set your browser not to accept cookies, and the above website tells you how to remove cookies from your browser. However, in a few cases, some of our website features may not function as a result.

Privacy policies of other websites

The Alcan Electrical and Engineering website contains links to other websites. Our privacy policy applies only to our website, so if you click on a link to another website, you should read their privacy policy.

Changes to our privacy policy

Alcan Electrical and Engineering keeps its privacy policy under regular review and places any updates on this webpage. This privacy policy was last updated on June 24, 2019.
